RWI Books

Dear Parents and Carers

Thank you for your continued support with your child's reading at home.

Children who are taught reading through the Read, Write, Inc. programme take home a paper copy of the book they have used in class to read at home and up until now they have kept the book. The school, as with all schools across the country, is facing budget cuts and we need to save money.

So we would like to change the system with paper books and would like the children to borrow the books and return them to school to be reused. To support us with this we have provided each child with a plastic wallet with a green zip. We would like your child to keep their paper book in their plastic wallet in their book bag. Please could paper books and wallets be returned to school every day. Old books will be collected and new books given out at least once a week. Due to the nature of the programme timetable, book changing is not on a specific day and there will be some days when your child has an empty wallet. This is because old books are collected at the end of the timetable and new books given out the next day. As the books will be reused please do not write your child's name on the front cover.

If you have any old RWI paper books at home please could they also be returned to school and given to your child's class teacher.

Yours sincerely,

Kate Majid
Reading leader
