

Family Homework

CHILDREN

Family Homework is an opportunity for children, siblings and parents/carers to learn together and have fun!

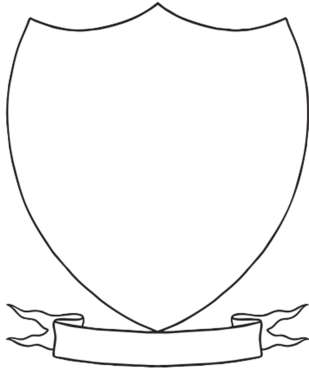

This holiday's homework is about you—children! What toys do children love, what do different children wear around the world, what rights do children have.

When you come back to school after the holidays, you can share your learning with your teacher and your class.

Design A Badge

Design a badge for the rights respecting schools ambassadors. Complete your design using the template on the back page and give it to your teacher for a chance to win! You could even have a go at making your badge 3D...

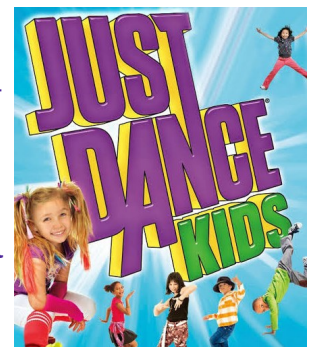

A winner from each year group will be selected to present their badge design in Friday assembly in April. The overall winner will have their design printed on the school's badge.

Do these activities together as a family!

Dance

Learn some new dance moves from 'Just Dance Kids' on YouTube. Remember to check with an adult before using the internet. Could you perform your routine to your family? Or get all your family involved in the dance?

Lego Mondays

Calling all fans of lego for Lego Mondays! Or anyone who hasn't tried lego building before but wants to give it a go. Free drop-in sessions at the Discover Pops Up! at Stratford Centre (opposite Costa Coffee) Ages 5-11; time 3.30pm-5pm. Visit website to book a free slot.

LEGO Mondays at Discover Pops Up!

Design or make a new toy

What would your ideal toy be if you could have anything in the whole world? Would it be the ultimate science set, an amazing doll's house, a super robot?

Imagine your best toy, then draw and label your design. You could even try making your toy!

Children around the world

Make a paper chain of different children from around the world. Draw a picture of a **famous landmark** for each country. You could even add the country's **flags** onto each child.

Which countries will you choose?

Read

Go to the Idea Store in Whitechapel or another library and read stories about adventurous children. Write a book review about what you loved from each story.

Visit some extraordinary places!

The Young V&A (Bethnal Green)

The Young V&A is an award winning museum on our doorstep. They offer **Play Saturdays for free!** (the next one is Saturday 28th March 1.30pm-3.30pm)

The Young V&A also offers a **SEND play session** on Saturday 4th April 10.30-12pm for children with SEN and disabilities and their families.

Sadler's Wells East (Olympic Park, Stratford)

If you love dance, then Sadler's Well East is the place for you. They have a free Dance Floor where you can dance and Artistry Youth Dance are running a **workshop day** on Saturday 28th March.

The V&A East (Olympic Park, Stratford)

The new V&A East is opening on Saturday 18th April. V&A East Museum celebrates making and creativity's power to bring change around the world.

Take photos, draw pictures and/or write about your visit, then share with your class.

Use the box below to draw your rights ambassadors badge. Don't forget to tell us why you have chosen your design! For example 'I drew 18 stars because there are 18 ambassadors.'
